UPDATE PALM inventor search; UPDATE WEST (pg-pubs,uspt); search notes attached.	7/4/08	SB
spoke with jean witz about double patenting rejection and applicants traversal of rejection because i did a restriction. she spoke with tony capputo and they both suggested that i rejoin group v with group I, make it non-final and invite them to add claims that may have been canceled because of their election of group v.	7/4/08	SB
